

The Clip

Here is a little comic for you . abought two faces.

YaY! I Won!

I spent three years on this and I still didn't win.

The Clip

Several birds have bonked themselves on the window by now over several days. (above)

Swimming lessons have been going for a little while now the swimmers are Edward (above) Regina and Teresa and Rose go to lap swim.

On Friday papa got some icons.

On Wednesday the birds managed to empty both the feeders completely.

Regina is hosting a foot race and a bike race on Monday.

Sorry the next issue won't be this big.

Isaiah and Regina and Teresa and David and Rose had fun at Dillon Park at the party there.

Go to page three for a game.

Regina will be giving away stuff for more information go to Regina and Teresa.

There have been several squirrels around trying to get at the feeders. (below)

Fill in the blanks with these words:
road car fast.

The truck sped down the ____ later in the day it passed a quick ____ later it passed a ____ car . The End.

Today is the feast day of St. Usula.

The breed of the week is the Arabian

The Arabian, which is smaller than the average Thoroughbred, is seldom over fifteen hands in height. He is very compact, with a short back, an arched neck, and a notably fine head carried high. The jowls are wide and the head tapers to a fine muzzle. Seen from the side, the line of the nose is slightly concave. The nostrils are very full and flaring, and the eyes are large and expressive.

Special thanks to Isaiah for the help he gave me.

Brother cat has tried to catch the birds that bonked themselves but we drove him off.

I am so sorry that I missed making a news paper.

The Clip

Tina and Joseph watch the first bird to bonk its self for more go to page two.

news, news, news, this will cover the missed copy this copy and it has three pages!
